

## PRESIDENT'S MESSAGE

The Loma Linda University Medical Auxiliary has been a part of my husband, Russell's family for a long time. His grandmother, Mary Virginia Harding was the Auxiliary's Woman of the Year in 1979 and Russ' mother was President of the Glendale chapter in the late 70's. When Russ was a resident, I joined the Resident Medical Auxiliary as an officer. It was a wonderful and supportive group. I was sold on the Auxiliary!

When I joined the Auxiliary Board I was looking forward to planning luncheon events and Christmas boutiques. And I have! However, I have found so much more. The Auxiliary is a dedicated group of people who care about making our organization the hands and feet of Jesus on a local level and on a global level.

In our board meetings, we have the opportunity to discuss our medical families that are suffering unexpected losses and how our **Do Unto Others** committee can help ameliorate, in even a small way, the ensuing upheaval in their lives. One more focus we have started this year is praying over each DUO birthday card that goes out to our membership. When you open up your card, know that you have been prayed for by our DUO committee. That is the most incredible gift anyone can receive.

Our **Little White House** volunteers spend hundreds of hours making it a blessing for our campus students to visit and "shop" for free. Keep your donations coming!

On a global level, we fundraise for special **Mission** projects that our medical missionaries tell us are vital to their continued care of God's children in foreign lands. Our Auxiliary has a mission! Literally!

I pray daily that I lead the Auxiliary to follow the motto of Loma Linda University Health, "To make man whole." I have been blessed in so many ways to have a wonderful husband, three healthy children and beloved son-in-law, live in Loma Linda and serve a living God.

It is my invitation to you to join the Auxiliary in supporting our wonderful organization by attending our events, supporting us financially, and especially with your prayers.

Yours in Christ,

*Danielle Hoxie*

## Membership Dues

Membership dues go directly to support Auxiliary operating expenses. Without these funds we would no longer be able to support our mission of community service, medical scholarships, the Little White House, and mission projects. Please help us continue our heritage of service to others. Thank you for your generosity.

Life Membership - \$1500.00 or 4 payments of \$375  
 Regular Membership - \$55.00  
 Retired, Widowed, or Divorced Membership - \$35.00

Membership dues may be paid on line (with credit card processing fee) via [www.llumedaux.org](http://www.llumedaux.org) or mail your check with the memo marked "2019-2020 Dues" to the Auxiliary office.

# SCHOLARSHIPS

2018-2019 Recipient:

Landon Saylor  
(pictured with his  
wife Andrea)

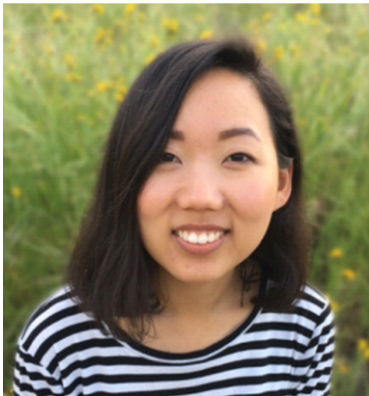

2019-2020 Recipients

Loma Linda University Medical Auxiliary is pleased to be able to award three \$10,000 scholarships to each of three medical students starting their senior year. These three women are worthy and have significant financial needs. These three seniors are: Victoria Chung (SM'20), Gabrielle Kahler (SM'20) and Chanel Wood (SM'20).

Please be generous as you consider contributing to our scholarship fund, which will be awarded next summer.

*Janice Schilling Stone (SM'80B)*

---Victoria comes from a New York family whom she financially supports. Prior to medical school she taught high school chemistry and biology for two years. She also volunteered in a health clinic in Chicago and a leprosy colony in China. She is currently planning on a career in Family Medicine.

*Words cannot describe how thankful I am to be a recipient of this scholarship. This contribution will help to ease the burden of debt and free me to pursue my dream of working in primary care. I am very passionate about the whole person care that Loma Linda University teaches us. Thank you so much.*

*Blessings, Victoria Chung*

—Gabrielle comes from a divorced family which has had issues with substance abuse and mental illness in the past. To make matters more difficult she survived viral meningitis prior to medical school and has had some serious medical scares during medical school. She hopes to pursue a career in Medicine/Pediatrics

*I am beyond humbled and grateful for being chosen as a scholarship recipient. The funds will allow me to continue the invaluable medical training I am receiving as well as fund expenses for Step 2 exams and the interview season. I am so thankful for this gift!*

*Sincerely, Gabrielle Kahler*

—Chanel is Canadian. She nursed her mother as she died from Breast Cancer. Her father is still working at age 75 to help her further her goals.

*I am honored to be selected as a recipient of your scholarship. It has always been a dream of mine to study medicine at LLU because the mission and values so closely align with my desire to continue the healing and teaching ministry of Jesus Christ. Thank you again for your generous support in my journey.*

*Sincerely, Chanel Wood*

## Duo

"Do Unto Others Ministry" was started in 1959 to aid physician widows in need. Since then this ministry has expanded to offer love and support for students and alumni experiencing life crises and loss. We also help fund students to attend overseas mission projects.

By registering your birthday with [contact@llumedaux.org](mailto:contact@llumedaux.org), a birthday Blessing Card will be sent to you. Its purpose is to stay in touch with our members. As you celebrate and count your blessings, please remember to share a monetary gift to help those in need. This will further the DUO ministry and projects.

## Missions

The Missions Committee involvement with Adventist Health International resulted in a true blessing. With the support of benevolent donors, over \$120,000 was raised for the medical missionary work our alumni tirelessly perform worldwide.

**Waterloo Hospital, Sierra Leone.** James '16 and Rachel Fernando will arrive at their mission hospital where donations built a new home with a second home in the midst of renovation for the 2 doctor families stationed there.

**Nepal.** Jonathon '12 and Allie Thorp successively have had their visas extended. The goal of a new respiratory lab, the first in this country, was made possible by donations from the auxiliary.

**Haiti.** Scott '96 and Marni Nelson have permanently moved here to continue the work in this country slow to recover after a devastating earthquake. Construction of new, safe apartments for medical students and residents are scheduled for this year and will improve this site as a Global Campus for Loma Linda University.

**Tchad.** Danae '06 and Olen '07 Netteburg along with Sarah Belensky '13 have overseen the completion of a modern operating suite. Soon, the operating room will be ready for the addition of a new surgeon at Bere Adventist Hospital.

**Honduras.** Joel '06 and Jennifer Mundall will be able to expand long term care with a new wing. Modern electrical upgrades will need to be added to existing structures so that the new wing will be compatible. They remain dedicated to medical mission work made possible with support from auxiliary members.

**Liberia.** Cooper Adventist Hospital received funds this last year to complete renovation of the operating room in this aging facility. Gillian Seton '08 is well known to our alumni family for her brave work during the Ebola crisis.

**Malawi.** Malamulo Hospital is the site of another Global Campus, part of Loma Linda University. With four alumni families living here (Gobble '12, Hayton '05, Graybill '05, Thomas '13), education buildings were desperately needed. With leadership passion, it was decided that additional funds amounting to over \$40,000 would be sent here. The classrooms are built, supplies sent, and students will arrive in just a few short weeks.

Students requiring assistance to attend Global Mission electives were also given funds by Medical Auxiliary this last year. The future of medical missionary work rests with these students, and the Mission Committee remains dedicated to the vision of medical ministry with Jesus as the ultimate healer.

# JMA

JMA is off to a great start this year!

The couples enjoyed their first vespers at Dr & Mrs Roger and Donna Hadley's home. Our next vespers will be held at Dr & Mrs Anthony and Tammy Hilliard's home. The JMA wives gathered for a Welcome Tea at the home of Dr Abbey & Alex Thomas. The wives are continuing their weekly bible study series, "Life on a Mission." Join us in praying for the families that are welcoming new additions.

# RMA

The Resident Medical Auxiliary has officially kicked off the 2019-2020 academic year. We were excited to meet many new residents during orientation, and had a wonderful turnout at our opening social at Nubi Yogurt on August 15th. Our Fall Family Pool Party is scheduled for September 5th at the Drayson Center. We have renewed the RMA Book Club, and are planning a child-friendly visit to a local orchard and holding a couples-night-out Bunco game, both scheduled for October. The RMA committee has many exciting plans for the upcoming year and we look forward to meeting everyone!

## Our Mission

The mission of the Loma Linda University Medical Auxiliary is to demonstrate God's love through benevolence and shared service.

**The Auxiliary promotes the mission work of its Alumni; the education and welfare of medical students, residents and their spouses; and the intellectual and spiritual growth of its diverse membership.**

The Auxiliary is committed to continuing a heritage of unselfish dedication to service, beneficence and healthful living, as well as to responding to humanitarian needs in today's changing world.

## Farewell letter from the Past President, Alice Yeo

A big thank you to everyone for helping to make this year a success! With Cay as Past President, the bar was set high and I am very grateful to her for mentoring me this past year. Thank you also to my Executive Board Members and Committee Members and many others for donating their time, monetary gifts, talents and skills in support of this great organization. Your selfless contributions, whether big or small, have impacted many lives for the better. Your patience, guidance and forgiving spirit have helped me in a journey of growth.

I am pleased to announce that we have reached the Scholarship and Mission fund goals, as well as help some of the homeless population in the San Bernardino area. In addition, we served the local community at the Little White House where Loma Linda University students found clothing, kitchenware and furniture, thanks to your generous contributions. This has been a fruitful year with an abundance of blessings. May we all continue to work together to transform lives as we anticipate the Lord's soon return.

Thank-you!

Alice Yeo
