

M A L A W I

We welcome you to . . .

malamulo adventist hospital

- * A major training site for southeast Africa
- * Over 1,000 students in the College of Health Sciences
- * 9 physicians in the surgical residency program
- * Now a Global Campus of LLU
- * Construction of a new surgical and dental building completed August 2024.
- * **\$30,000 to fully equip the 6 new operating rooms** with tables, lights, anesthesia machines and expanded surgical instruments.

*Thank you for being
part of our adventure!*
