

TREE  
of Angels

For the last few years, donations collected from the “Tree of Angel’s” Christmas Card appeal has been directed to our own homeland mission field, the Little White House, supporting LLU students. Our community generously donates furniture, household goods, clothes and knickknacks to decorate a student’s living quarters.

At our last open house, I met a delightful young medical student from Kenya. So new he still required a campus map to navigate his way to the LWH for our open house. Arriving here with a suitcase full of belongings and dreams, he will pursue the MD/PhD program. “You mean everything is free?” he asked incredulously. He was one of the many bright-eyed, excited new students who came through our doors to “shop” and receive a delicious supper. As they shop and mingle, getting acquainted with each other, we, the volunteers realize what a privilege it is to be part of their experience here at Loma Linda.

Through your generous donations this house is open to support, encourage and feed physically and emotionally those in need. During this season of giving, we invite you to give to our students as you have been blessed.

Sincerely,
